Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Friday 21 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showers or longer spells of rain, windy with coastal gales.

Today:
Cloudy with showers or some longer spells of rain, these heavy and prolonged at times. Windy for much of the day with coastal gales, but tending to ease a little towards evening. Maximum temperature 13 deg C (55 deg F).

Tonight:
Staying cloudy with further showers or outbreaks of rain, but these lighter and more patchy by morning. Windy with coastal gales at first, but winds gradually easing overnight. Minimum temperature 7 deg C (45 deg F).

Saturday:
Rather cloudy to start, but brightening up from the west during the day. Some showery rain in the east at first, and scattered showers developing more generally in the afternoon. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
Showers spreading east on Sunday, with more persistent and heavier rain later. Sunny intervals and locally heavy showers on Monday, and a few showers on Tuesday. Feeling cool throughout.
